About the College :

Dnyan Ganga Education Trust's Degree College of Arts, Commerce & Science has successfully completed its 17 glorious years in higher education. It aims to cater specifically to the students of Ghodbunder area and also entire Thane City as a whole with a strength of more than 1200 students. It offers graduate courses like B.Com, BMS, BAF, BBI, BSC IT, BAMMC and BA. The college has earned a great repute in the areas of sports and cultural activities by winning loads accolades and rewards. It constantly endeavours to inspire, prepare & make students learn to succeed in the changing world.

About the FDP:

Research is a prerequisite for thriving in the field of education, commercial or non-commercial sectors. Assimilation and imparting of knowledge through research is a vital part of an academic institution. The five day Faculty Development Program on "Research Methodology & Techniques" primarily focuses on upgrading knowledge through the interaction with the experts. The Faculty Development Program will attempt to cite and explore the entire research process from topic selection to framing objectives and hypothesis, making research questionnaire, sampling techniques, data analysis by using MS Excel and Format of Research proposal. It will also provide the budding researchers with an opportunity for writing and publishing research paper and it will also serve as a platform for them to interact with the various academicians and research experts.

Objectives of FDP:

- To kindle the research fervor in participants.
- To equip participants with basics of research acumen for conducting quality research.
- To help the participants in improving and upgrading their research skills, conceptualization, and conduct of research papers.
- To familiarize participants with the emerging frontiers of research while imparting knowledge about data collection and compilation.

Target Audience:

Highly Motivated Teachers/Academicians /Aspiring Research Scholars.
