ONE WEEK

NATIONAL LEVEL FACULTY DEVELOPMENT PROGRAMME

ON

“NEP and Skill Based Education: Pedagogical Options”

ORGANIZED BY
INTERNAL QUALITY ASSURANCE CELL

12-16 FEBRUARY, 2024

OBJECTIVES OF THE FDP

- To explore competency-based education with life skills perspective in higher education with a practitioner's point of view
- To discuss and establish strategies for enhancing classroom instruction quality in institutions of Higher Education
- To explore ways to align bloom's taxonomy learning levels with classroom practice
- To create awareness and build on the knowledge on contemporary ICT tools available for development of teacher's e-content for active student engagement in teaching learning process
- To discuss and establish ways to inculcate project based experiential learning through industry connect

DURATION AND STRUCTURE OF THE FDP

The theory for the topics specified in the 'Technical Sessions' shall be covered: Over 5 days through online classroom sessions supported with practical examples.

The FDP would be conducted through Zoom platform for wider reach and effectiveness

Timings

5:30 pm-to 7:00 pm starting from 12 Feb 2024 (Monday) till 16 Feb 2024 (Friday)

ABOUT THE INSTITUTE:

Dnyan Ganga Education Trust (DGET) is an educational hub delivering quality education from KG to PG. To meet the growing academic challenges globally, DGET is determined to run the institutions professionally, adopting all the modern advancements in academics and technology to shape the individuals into truly global citizens with Indian values. DGET aims at creating professionally superior and ethically strong global manpower create leaders and managers of tomorrow. DGET focuses to uphold the social values while helping the society to develop technologically and morally by providing education of global standards, thus bringing about emancipation in the society through knowledge and wisdom.

ABOUT THE FDP:

Higher education system in India is passing through a transformational phase as it is in the process of aligning and transform curriculum as per the tenets of National Education Policy (NEP)-2020. An informed and empowered teachers' community is a potent force to usher this change, playing a pivotal role in development of knowledge building, knowledge sharing and its dissemination.

Upskilling and re training of academicians is the need of the hour. Along with the strong digital skills, the new skills required by Education 4.0 are complex and intertwined in nature. They include problem-solving, critical thinking, creativity, people management, teamwork and collaboration, emotional intelligence, judgement and decision-making, service orientation, classroom facilitation, negotiation, project management, cognitive flexibility, and communication skills amongst others. This FDP is an attempt to address one of the most critical changes proposed in the New Education Policy 2020 and aims to be a short term refresher programme for professionals engaged in HEIs across the nation.

PARTICIPANT PROFILE

- Any person engaged by an institution of higher education to deliver content in classroom environment for students of undergraduate level program or above, across the nation
- Any person aspiring to be or trained to be an academician
- Research Scholars from any domain

COURSE CONTENT:

- E-learning content creation and exploration of usable techniques in the context of e-learning content creation through models, practical examples and checklists.
- Awareness on development of teacher's e-content using contemporary ICT tools.
- Bloom's taxonomy of Learning Levels in cognitive, psychomotor and affective domains-enhancing classroom effectiveness
- Exploring competency-based education with a life skills perspective to ensure transfer of knowledge in real life situations.
- Pedagogical options available for active teaching & learning
