Action Taken Report on Feedback Analysis

2020-2021

Sr. No.	Suggestions	Action Taken
1	Washrooms drainage system is poorly managed after recess please look into it.	The college sees to it that the washrooms are maintained and sanitised regularly. Proper water facility is also provided to maintain the hygiene.
2	There should be easy procedures for students that stay far away from college to access the college's basic requirements (such as inquiry, form filling etc).	Regular updates are given to the students through the Edusprint app. Even whatsapp is used to keep them updated about the activities going on in the college. This provides ease to the students staying far away from the college.
3	Should have better canteen facilities.	The college provides good canteen facility. Hygiene is maintained at the canteen so that the student's health is not compromised.
4	Outdoor sports facilities and washrooms should be cleaned.	Turf facility is given to the students so that they get the opportunity to engage in regular physical activity. This helps in promoting their overall health and well-being.
