- Whenever we get notice form college on edusprint+ app we have to click on the notification only to view the notice but if by mistake we miss to click on notification and check it on app it doesn't show the notice. It shows only that we want to delete the notice or not. And at the end we have to see notice at WhatsApp only. So please ma'am/ sir help us in this.

Action Taken Report on Feedback Analysis

2021-2022

Sr. No.	Suggestions	Action Taken
1	Should have a compulsory heritage walk which will increase student's interest, knowledge and grades.	The college does provide heritage walks and Industrial Visit to its students. But this year it was not conducted due to the pandemic and keeping in view of the student's safety.
2	Give more examples.	The teachers do provide various examples related to the topic so that the students find it easy to grasp the topic.
3	If practical were offline, it would be better.	Due to pandemic the need of the hour was to conduct the lectures online, to curb the spread of Covid virus.
4	Facing Technical issues while using Edusprint app.	The college has made the Edusprint app user friendly.
5	Washroom and classrooms need to be cleaned on a regular basis.	The washrooms are sanitised regularly as well as handwash and proper water facility is provided. Also, sanitary napkins are placed for female faculty and staff members. The classrooms are cleaned regularly once the students are gone.
